*A voice for all businesses in South Glengarry!*

Hello:

This letter is being sent out to businesses and community groups in the Township of South Glengarry to determine if there is interest in creating a municipality wide chamber of commerce.

The goals of the chamber would include, but not limited to,

- increasing the visibility of the commercial and community enterprises in and beyond our township,
- to provide support services to its members and
- to create networking opportunities for the business and community organizations involved.

The chamber would also work with the municipal council and staff to ensure accountability and steering for the decisions that they make concerning businesses and community groups

At this stage, all we would like to do is discuss and plan. We are not asking you to sit on a committee nor to become a member. If you, your business, or community group would like to be involved in discussions, please contact one of the individuals listed below.

If you know of any group or business that did not receive this letter, a copy is also available on the townships web site for download purposes. [www.southglengarry.com](http://www.southglengarry.com)

Please reply before April 7, 2008 so that the project can proceed in a timely manner.

*Thank you for your co-operation, your time has been greatly appreciated.*
