ABOUT US

Although Henderson's is a business that has been located on the main street of Lancaster for some time, the well-known grocery store is now under new ownership. Donald and Sylvie Longtin recently obtained ownership of the business and are excited to be a part of the South Glengarry community!

In early 2015, Donald and Sylvie were looking to move to a rural area after living in Cornwall for 20 years. They stumbled upon the opportunity to purchase Henderson's Grocery Store and have been settling in over the course of the summer. They are truly a "Family-Oriented" business, with their children also helping out around the store.

WHAT WE DO

Henderson's is a family-operated grocery store providing in-house bakery and butcher products and services. The store offers a wide variety of locally grown and produced items, including:

- Produce from local farmers (seasonal)
- Apples from Marlin's Orchard

- Honey from Levac Apiaries
- Local maple syrup
- *and more!*

In addition to the local products offered, Henderson's also offers a number of fresh products made in-house, such as baked goods, homemade sausages and fried chicken.

WE HAVE BEEN IN SOUTH GLENGARRY SINCE...

While the business itself has been located in Lancaster for some time now, the Longtin's have been owners of the store since May 2015.

WHY SOUTH GLENGARRY?

Early in 2015 Donald and Sylvie were looking to move their family from Cornwall to a rural community in the surrounding area. Sylvie, who has roots in Green Valley, naturally looked to South Glengarry as a potential community to relocate.

The Longtin's are enjoying living in a smaller community and seeing familiar faces come through the doors each day. Their love of food and entrepreneurial spirit are a recipe for success in their new venture!
