Winter Maintenance

Parking

The parking of a vehicle on a roadway interfering with winter maintenance activities is an infraction of the Highway Traffic Act. Please be sure to park vehicles in such a way that the Township Roads Department can perform snow plowing and de-icing operations in a safe and efficient manner.

Deposit of Snow and Ice on a Roadway

The blowing of snow and/or pushing snow across roads and streets is not only a safety hazard, it is also against the law. The blowing of snow or pushing of snow across roads, streets and sidewalks creates unnecessary hazards to the travelling public in South Glengarry.
