There is a fee of \$47.00 to cover the cost of the blade and \$61.00 to cover the cost of the post of civic addressing signage for residential property. The fee is \$35.00 for the blade and \$25.00 for the post for farm property. This fee must be included with this application. (cash or cheque only)

To determine a civic address, a distance measurement is taken to the centre of the driveway or entrance to property; therefore, the entrance **MUST** be and should be marked. (see location plan on reverse side)

## LOCATION PLAN

Indicate where the centre of the driveway is in relation to the property lines, or the entrances onto a public road. For farm 911, please include a sketch of the location(s) where the post is to be installed, with measurements of the property.

A large, empty rectangular box with a thin black border, intended for the user to draw a location plan. The box is currently blank, providing space for a sketch of property lines, driveway centers, and post installation locations with measurements.
