

Township of South Glengarry Glen Walter Area Water and Wastewater Servicing Master Plan Public Consultation Centre #1

THE STUDY

The Township of South Glengarry is carrying out a study to determine infrastructure requirements for the Greater Glen Walter Area. This study is being conducted in accordance with the requirements of Phases 1 and 2 of the Municipal Class Environmental Assessment which is an approved process under the Environmental Assessment Act.

WE WANT TO HEAR FROM YOU

Public consultation is a key component of this study. The proposed consultation plan provides for public consultation centres at two points in the study: early summer 2020 – to review the problem and late summer 2020 – to review alternative solutions. In addition there will be an opportunity to review the final Master Plan report.

The study area is as shown on the attached key plan. The first public consultation centre has been arranged to review and receive input from the public about the collection of background information and identification of the problem:

Date: Wednesday June 24th, 2020

Time: 6:00pm – 8:00pm (Review of Boards at 6:00pm, 6:30pm, 7:00pm and 7:30pm)

For those individuals who are unable to link to the zoom meeting, display boards will be made available to the public on www.southglengarry.com, the Township’s website, starting on June 24th, 2020.
