- 19.1. Notwithstanding anything herein, if it is deemed most favourable in the interests of the Township of South Glengarry then the Township reserves the following rights, to be exercised at its sole discretion, in order to select a submission that provides the greatest value based on quality, service and price:
 - 19.1.1. to accept corrections to a submission after the closing date for obvious clerical errors except those that would vary the bid price;
 - 19.1.2. to reject any or all submissions;
 - 19.1.3. to include externalities and full-life cycle costs in determining price;
 - 19.1.4. to use its own estimates on time requirements or “cost plus” estimates in determining price;
 - 19.1.5. to award by item, or part thereof, groups of items, or all items of the procurement;
 - 19.1.6. to accept non-compliant submissions where such non-compliance relates purely to a matter of form, is of a trivial nature, or has no effect upon the relative standing of the submissions;
 - 19.1.6.1. Notwithstanding anything herein, the Township reserves the following rights in all cases, to be exercised at its sole discretion:
 - 19.1.7. to reject any or all submissions based on one or more of the following factors: safety, financial stability of the Respondent, previous problems with the Respondent in delivering goods or services, the benefits of diversifying the Township’s sources of supply, reliability of a Respondent, and other commercially relevant considerations;
 - 19.1.8. to reject any submission that has an all-inclusive cost that is more than 40% below or more than 40% above the average prices submitted and evaluated;
 - 19.1.9. to reject any or all submissions if the fairness or legitimacy of the procurement process could reasonably be called into question because of interests any and

all persons, firms or corporations have in a Respondent's submission;

- 19.1.10. to modify, extend, suspend, postpone or cancel any part of this solicitation or any subsequent processes without any liability to anyone;
 - 19.1.11. to issue, prior to the closing date, addenda for any part of the procurement process, including: guidelines, plans, specifications, scope of work, requirements, timelines, etc.;
 - 19.1.12. to cancel any Agreement arising out of this procurement process, without liability to the Township, if it is found that the successful Respondent provided information as part of this procurement process that it should have known to be incorrect and, in such circumstances, the Respondent will be liable for any damages incurred by the Township resulting from the cancellation of any such Agreement;
 - 19.1.13. in the event of an emergency or pending emergency, to cancel the solicitation and accept, at any time, the submission that best meets the needs of the Township given the emergency;
 - 19.1.14. the Township may contact any Respondent before, during and/or after this procurement process, including to clarify or gather additional information regarding a submission.
- 19.2. In the event that two or more submissions are ranked as equal the Township reserves the right to break the tie in a manner it deems appropriate.
 - 19.3. Where a stepped or ranked scoring process is used, the Township reserves the right to score one or more submissions for any criteria as tied or to use a ranking for any criteria that exceeds the total number of submissions.
 - 19.4. The Township reserves the right, at its sole discretion, to restrict a Respondent from participating in future solicitations if, at any time, they fail to follow any part of this procurement process.
 - 19.5. If the Contractor does not take timely action, or if the Contractor is not available, the Township may direct others to remedy the situation.

20. Other

- 20.1. A Respondent must be prepared, if requested, to present evidence of experience, ability, service facilities and financial standing necessary to meet satisfactorily the requirements set forth or implied in the procurement process, regardless of whether this is a requirement of the procurement process.

- 20.2. If this solicitation is a “request for information”, “request for expression of interest”, “request for qualifications” or similar request then this process does not give rise to any contractual rights or obligations.
- 20.3. The Contractor agrees to indemnify the Township for costs or third party claims incurred due to the Contractor’s improper use of intellectual property.
- 20.4. Where the Contractor fails to correct a default within the time specified by the Township or where the Contractor fails to comply with the terms of the Procurement or Contract Documents, the Township, without prejudice to any other right or remedy the Township may have, may terminate the Contractor’s right to continue the Work in whole or in part by giving written notice to the Contractor and charge the Contractor the additional cost over the submission price of completing the Work or portion thereof.
- 20.5. The term “should” when used in this document does not have the same meaning as “shall”. Instead, the term “should” means “ought to”; that is, the condition that the “should” applies to is not an absolute requirement but a submission could be ruled as non-compliant, at the Township’s sole discretion, if the condition is not met.
