Assessment Information

Property taxes are calculated using the most recent Notice of Assessment mailed to property owners by MPAC. If you disagree with your assessment, you may appeal it in one of two ways **Request for Reconsideration** or **Appeal to the Assessment Review Board**. The forms are available at the Township Office or online at www.mpac.ca, or mailed to you by calling either the Municipal Office or MPAC.

Due Dates

Tax due dates are always the last banking day of **March, May, August and October**. The tax collector has no authority to waive penalty or interest for any reason. You should always have received your tax bill by March 15 and August 15, except if you are on a pre-authorized debit plan, or your mortgage company pays your tax bills.
