

Disposal of Large Items

Large items, including furniture, mattresses, box springs, plastic lawn furniture, toilets, and carpeting will ONLY be collected during Large Item Pick-Up days. They will NOT be collected during weekly curbside collection. These items may be disposed of at the Township's landfills.

Construction and Demolition Waste

Material such as concrete, brick, asphalt, metals, wood, gypsum (drywall) and shingles are NOT part of the items collected during weekly curbside pick-ups. These items MUST be disposed of at the Township's landfills.

To dispose of large waste or construction and demolition waste:

Consider donating the materials that you no longer need to a local thrift store, affiliate of Habitat for Humanity or a similar organization.

Garbage is collected weekly, on assigned days. Look for the Township of South Glengarry's collection schedule in the Collections Calendar. Copies are available at the Township of South Glengarry Municipal office, located at 6 Oak Street in Lancaster or visit our website:

www.southglengarry.com

Select Residents> Garbage & Recycling> Pick -Up Schedule

Garbage Pick Up

Please ensure your garbage is placed at ground level (not on top of snow banks) at the end of your driveway by 6 A.M. on the same day as your bi-weekly recycling to guarantee pick-up.

Depending on the weather and volume, your area's collection time may vary.

Instructions for Garbage Collection

- Due to a number of factors, collection times can change. Please be on time and place waste at the end of your driveway/at the roadside **by 6:00 A.M.** on your garbage/recycling day.
- Garbage containers or bags must be placed at one (1) location at ground level and as near as possible to the roadside or curb.
- All garbage **must** be in tied bags; no loose garbage.
- Branches **must** be tied in 4' bundles.
- Water soaked or broken containers or bags **will not** be collected and must be repackaged or disposed of by the occupant, owner or person in charge.
- **NO** construction material, heavy metal or tires will be collected.
- **NO** hazardous waste. (See Recycling & Diversion brochure for additional details)
