Terms of Authorization Re: Automatic Withdrawal for Property Taxes

- Accounts with no arrears may enroll in either Option 1 or 2
- You may sign up for Automatic Withdrawals any time between January and July of the current tax year. We require the enrollment form no later than the 20th of the month to activate your withdrawal for the following month. Requests submitted during or after the month of August, will be effective in the New Year; these are required no later than December 10th.
- The monthly debit is done on the first banking day of the month.
- If there are adjustments to your debit amount, we will notify you prior to the withdrawal.
- Instances of returned items for insufficient funds will incur a penalty charge of \$20.00 each time. In order to maintain the same payment plan, missed payments must be paid prior to the following automatic withdrawal. Three returned items will result in removal from automatic withdrawal.
- Additional information for anyone who chooses option 1
 - At the beginning of the year, the withdrawal is calculated using the previous year's taxes plus 5%. If there has been a change in your assessment (higher or lower), please contact the tax office and your payment plan may be adjusted.
 - We do not withdraw any funds during the month of December.
- If you are selling your property, it is your responsibility to notify us so we can stop your automatic withdrawals before the 24th of the month.

Should you require any further information, please do not hesitate to contact our office at 613-347-1166 ext 233.
