## **Ribbon-Cutting Welcomes Glengarry Roots Dental Hygiene Clinic to Lancaster**

**Lancaster, ON – October 10, 2025** – The Township of South Glengarry’s Mayor Lachlan McDonald and local dignitaries officially welcomed *Glengarry Roots* dental hygiene clinic to the community with a ribbon-cutting ceremony held on the afternoon of Thursday, October 9th at 160 Military Road in Lancaster.

Owned and operated by Lana Murree, a registered dental hygienist with 17 years of experience, *Glengarry Roots* offers professional dental hygiene services in a comfortable, community-oriented setting. Ms. Murree chose to open her own clinic, providing residents with access to quality dental care close to home.

The ribbon-cutting ceremony was organized by the Township’s Economic Development Department, led by Economic Development Officer Jennifer Treverton, who worked closely with the business owner to coordinate the celebration and promote the new clinic within the community.

Mayor Lachlan McDonald shared his enthusiasm for the new addition to the local business community.

“We welcome *Glengarry Roots* to South Glengarry, a great business that will provide an essential service to our community,” said Mayor McDonald. “Small businesses like this are wonderful for our residents.”

Owner Lana Murree shared her motives for opening her own clinic, which gives her the freedom to dedicate the time she wants to each patient and the flexibility to set her own hours.

“Opening *Glengarry Roots* has been a dream come true,” said Ms. Murree. “This is something I have wanted to do for years — to have a business in my home community. I want to give the patients the time I want and contribute in a positive way to this community.”
