One set of drawings and information is required to be included as part of the application submission.

All drawings shall be legible, to scale, dimensioned and provide sufficient information that describes the extent of proposed work.

How to Apply: (select 1 of 3 options below)

1. **Apply online through Cloudpermit, an online system allowing users to track and monitor their building permit.**
2. **Download and complete the fillable PDF building permit application and email it directly to the building department (permits@southglengarry.com).**
3. **Deliver application to the municipal office.**

Note:

1. If a property is located within a settlement area or on a property that is 0.4 hectares (1 acre) or less in size, and the proposed addition is greater than 50 square meters in building area, a grading and drainage plan prepared by a Professional Engineer, Architect, or Ontario Land Surveyor must be submitted and approved by the Chief Building Official.
2. Review of existing on-site sewage system by a qualified designer is required where:
 - a) Number of bedrooms in the dwelling is increasing,
 - b) The area of the proposed addition exceeds 15% of the existing finished area of the dwelling or,
 - c) Additional plumbing fixtures are proposed.

The review will need to demonstrate that the existing septic system can accommodate the proposed daily design flow. If any work is required, a septic system permit will be needed to be obtained.

This form summarizes the minimum required information to be submitted, as part of a permit application, in accordance with the Building Code Act and the Township of South Glengarry's Building By-Law. Every attempt has been made to provide a complete list. However, should the requirement for additional documents and/or approvals be determined during the processing of this application you will be notified.

Please ensure that your permit application is complete. Note that incomplete applications may not be accepted for processing and are not subject to the time periods within which a permit is issued or refused as prescribed in the Building Code.
